A man's heart plans his way, but the Lord determines his steps. Proverbs 16:9 HCSB

## Heater Headlines

Greetings dear friends,

It is our responsibility to make plans, lots of plans and often we are making plans without all the necessary information or personnel in place as we wait on the Lord to move, supply and answer prayer. The above verse as well as the admonition also from Proverbs 16:3 "Commit your activities to the Lord, and your plans will be achieved" encourage us as we seek to follow the Lord's leading to carry out the mission of T4MM.

### February J-Team

This 14-member team from Ohio, NY, MD and PA did a fabulous job all week. The Medical Team saw 739 patients, handed out 2650 prescriptions and even made some home visits! I (Linda) enjoyed leading devotions at the 5 primary schools and 5 basic schools- it has been a year since I was in the schools and it was so good to be back. Many thanks go to Grace Myers and Megan Alford for making the arrangements prior to the J-Team and for the support and transportation all week. Our building team built a lunchroom with benches and picnic tables for the New Testament Assembly Basic School and brought some needed renovations. The team

enjoyed touring the school on Friday as we had a prayer of dedication together for the school, its teachers and leadership and the students. Wednesday evening, the children in the community were invited for the first week of a 12-week discipleship course led by Grace and Danny Myers. (These are the children who received their Operation Christmas Child boxes back in November with the J-Team.) It was a great night! The team enjoyed some time to relax and debrief on Saturday in Ocho Rios before returning to the states.

**"Lord my God, You have done many things - Your wonderful works and your plans for us; none can compare with You. If I were to report and speak of them they are more than can be told." Psalm 40:5**

We give God the Praise:

- for good health for Linda after her cancer treatments and for Anne Clay with relief from the persistent headaches
- for the February J-Team
- for the partnership with our dear friends of Chantilly Bible Church and for the opportunity to report back during their annual Missions Conference in February
- for our Jamaican ministry partners who have stood with us through all the changes in the last 2 years and for those that are still joining us in the ministry in St Mary parish

Please join us in prayer:

- for the May J-Team (see the urgent needs listed below)
- Board Meeting in Jamaica - our board is meeting together in April. We will be taking this time to meet with a variety of ministry leaders and to seek God's face and direction as we determine the next steps for TEAMS for Missions Missions in Jamaica
- for the current students in Bible Training Center Jamaica Classes 4, 5, 6, 7, for the BTCJ8 class that is beginning in the next 2 months, for the BTCJ9 class that is to start soon, and for all of the instructors
- for financial needs for us personally (\$500/mo short in support), for our Heartbeat Fund (\$2,500/mo short in support), \$3500 per trip for the Building Fund and for the \$4000 per trip for our Medicine Fund. We are very thankful for one-time and special gifts but are praying for regular supporters as well.
- for Beverly Herring, Linda's mother, and her family. Mom has been diagnosed with cancer that is advanced.

We have urgent needs for the May J-Team
