

STRATEGY

We seek to link the Church in America with the Church in Jamaica by means of full-time missionaries and short-term teams in ministry

Teaching (training)

- Children in schools and at Medical Clinics
- Training Seminars and Pastors Conferences
- Provide formal training through the Bible Training Center's 3½-year program

Evangelism (discipleship)

- Personal relationships
- Share the gospel
- Demonstrate Christ's love
- Model godly, healthy relationships

Aid

- Provide food, shelter, and opportunities for those in greatest need

Medical Services

- Provide medicine, education, and ongoing care for the people of St. Mary, Jamaica

PARTNERSHIP

J-TEAMS

Quarterly 9-day medical, evangelism, teaching, construction

teams serving rural St. Mary, Jamaica. Each team has 3 doctors, 3 pharmacists, 2 nurses, patient screener, 2 clinic clerks, 2 teachers, 4-5 builders and 2 encouragers. (See J-Teams brochure)

Multiple people from same church are welcome. The more people, the greater the community impact upon return. Include your pastor and the impact increases exponentially.

PRAYER PARTNERS

Prayer is the most powerful tool we have in our toolbox and we need people to partner with us through prayer. We will keep you well informed with specific prayer requests and answers to prayer.

FINANCIAL PARTNERS

Partnering financially with T4mm makes you a part of the ministry and its blessings. We will endeavor to keep you well informed with ministry updates of what God is doing and what we are doing with your support.

SHORT OR LONG-TERM MISSIONARIES

Join our team — we are looking for people who are interested in joining our ministry in Jamaica.

SPECIFIC GIVING OPPORTUNITIES

HEARTBEAT FUND

Funding the parts of the ministry that are central to the viability of our organization. If Heartbeat is not fully funded, the rest of the ministry suffers.

- Home office
- Support personnel
- Ministry travel
- Nuts and bolts of running a ministry
- Emergencies
- Communication
- Public Relations

MEDICINE FUND

The medical cost of each J-Team is about \$4,000 which provides care for 750 patients with critical medications.

TEAMS HOUSE FUND

The Ministry house in Jamaica has a monthly maintenance cost of about \$1,300.

CONSTRUCTION FUND

We have built over 75 homes and numerous other structures for individuals, churches, and schools. Each

quarterly J-Team has a building team component and funds need to be raised for each project ranging from \$4,000 - \$6,000.

BIBLE TRAINING CENTER of JAMAICA

The Training Center itself is supported by the students' weekly tuition, but many of the expenses are upfront costs requiring seed money. Funds from each class reimburse the seed money sown so it can be used for the start-up of another class.

However, multiple classes are starting up at the same time requiring ongoing seed money at this time. This fund also helps cover outreach events, transportation costs & additional training events.

SPECIAL PROJECTS

Needs arise that fall outside the regular ministries but must be met. When these needs are large enough, they fall into the Special Projects category.

Past special projects:

- Work truck replaced
- Website updated
- Windows replaced
- Carport built
- Solar panels installed
- Veranda resurfaced and awnings installed
