# J-TEAMS

Quarterly

9-Day

Specialized

St. Mary Parish, Jamaica

TEAMS for Medical Missions is about healing the body, making disciples, and strengthening the local church in Jamaica. Our J-Teams are focused on providing needed medical care and medicines on an ongoing basis, opportunities to hear and respond to the gospel, and meeting physical needs through construction.

### 2023 – 2025 J-TEAMS

<u>2023</u>	<u>2024</u>	<u>2025</u>
Feb 4-12	Feb 3-11	Feb 1-9
May 6-14	May 4-12	May 3-11
Aug 5-13	Aug 3-11	Aug 2-10
Nov 4-12	Nov 2-10	Nov 1-9

**Each J-Team is comprised of** providers, nurses, pharmacists, clinic clerk, encouragers, kids/sports ministry personnel, & builders.

## Medical Team

Team of providers, nurses, pharmacists, and clinic clerk; churches host the clinics; we bring the pharmacy all at no charge—think frontier medicine: no labs, no insurance companies, no paperwork, no machines. We are St. Mary Parish's family physician and have been for more than 15 years. If you have medical training, we can use you (MD, DO, GP, OB/GYN, ENT, PA, RN, LPN, MA, EMT, PT, etc.).

## Encouragement Team

Opportunities for evangelism abound in the clinics, at the schools, and on the building site. All J-Team members are encouraged to seize opportunities as they arise, but we also seek to have an individual or two on the team whose primary role is to listen to, talk and pray with, and bring the Word of God to bear on the concerns of people waiting to be seen at the clinic.

## Kids/Sports Ministry

Opportunities to work with children in a VBS Club format (August); lead devotions in schools (Feb, May, Nov); minister to children at the clinics; assist our missionaries through sports ministry on our outdoor basketball court; interact with children in our neighborhood and yard; plus other opportunities based on the skillset and makeup of the team.

## Qualifications

**Physical health** is important. The schedule involves full workdays which can be quite demanding. It is very hot and humid at the clinics, schools, and work sites.

**Spiritual health** is key. J-Teamers are growing Christians with a desire to share their faith with others in word and deed.

**Emotional health** is vital. Flexibility, a heart to serve, being a team player, along with the understanding that life is not about you is necessary. Come with a teachable spirit.

## Building Team

We need 3-5 people who enjoy working with their hands.

Skilled labor is a plus, but not required. All tools and supervision are supplied.

We build structures to help individuals, churches, or schools in need.
